

Technical data

Reference	MU210141	Brand	WEINIG
-----------	----------	-------	--------

Model	UNIMAT 23E	Family	MOULDING MACHINE
-------	------------	--------	------------------

Technical features

Serial N°	023-2549	Restyling year	2019
-----------	----------	----------------	------

Motor Power	33 Kw	Voltage	380
-------------	-------	---------	-----

C.E.	Yes	Maximum working width	230 mm
------	-----	-----------------------	--------

Maximum working height	160 mm	Axes diameter	40 mm
------------------------	--------	---------------	-------

Total N° axis	6 unidades	Bottom horizontal axis	4 Kw
---------------	------------	------------------------	------

Spindle moulder	7,5 Kw	Spindle moulder	Motor compartido
-----------------	--------	-----------------	------------------

Spindle moulder	5,5 Kw	Upper horizontal axis	7,5 Kw
-----------------	--------	-----------------------	--------

Bottom horizontal axis	4 Kw	Variator	3 Kw
------------------------	------	----------	------

N° higher drag	6 unidades	N° bottom drag	3 unidades
----------------	------------	----------------	------------

Length table entry	2500 mm	Pneumatic pressure	Yes
--------------------	---------	--------------------	-----

Electronic speed Variator	Yes	Cardan shaft transmission	Yes
---------------------------	-----	---------------------------	-----

Weight	3900 Kg	Dimension	4800x2200x1900 mm
--------	---------	-----------	-------------------
